Feature Coverage By Scenario

Overview

(7e76e819c88c73326b09825a66051d85dd242fc07f9790b2ec30a7273b3e34ec.html) ∞ (7e76e819c88c73326b09825a66051d85dd242fc07f9790b2ec30a7273b3e34ec.html)

Scenario:
Logout
an
account

Scenarios

Scenario: Logout an account (7e76e819c88c73326b09825a66051d85dd242fc07f9790b2ec30a7273b3e34ec.html)

Given I am on the login page for logout

When I input valid email for logout

And I input valid password for logout

And I click on login button for logout

And I am on the home page for logout

And I click on profile icon

And I click on logout

Then I am on login page after logout
